

Duty to Manage Asbestos Training IATP Approved

Specifically designed for housing providers

Here at Housing H&S Compliance UK Ltd we are experts in all things H&S in the social housing sector; using our expertise we have carefully shaped this IATP approved Duty to Manage Asbestos training course. Directed at those who manage premises and have a responsibility for protecting the people who work in such premises from the multitude of risks exposure to asbestos causes, this course is packed full of information, have a look at the programme.....

Course Programme

- Asbestos Awareness training
- Regulation 4 - Duty to Manage Asbestos in Non-Domestic Premises
- Asbestos Surveying and Asbestos Survey Reports
- The Asbestos Register and Management Plan
- Defining Work which is Non-Licensable and Licensable (including Notifiable Non Licensed Work)

Our Trainer

Matt has worked in the asbestos industry for over 16 years, as Consultant and as a Technical Officer (asbestos) for a social housing provider. In recent years Matt has been a Training Manager and travelled all over the UK (and beyond) delivering asbestos related training; much of which has been for social landlords. He holds the Certificate in Operational Competence in Asbestos (CoC Asbestos) and other qualifications from BOHS as well as being a Technical Member of IOSH. Matt consistently receives great feedback from delegates, with one describing the training **'the best he has ever had'**
