30th November 2021		The Fire Safety Act received royal assent on 29th April 2021. The changes to Approved Document B were published by the government on 26th May 2020. This webinar intends to add clarity to these subjects, giving attendees more of an understanding of why these changes have come about and what they mean to a practitioner within the field of fire safety. This knowledge is relevant to those who already work within this field and those thinking of embarking on a career in Fire Safety, especially the responsible person. Although Part 1 of the Fire Safety Act has yet to be enacted within England, it came into force on 01st October 2021 in Wales.	<a href="https://iosh.zoom.us/join/register/WN_BWv1P7VtE-1C66fb_2_9w">https://iosh.zoom.us/join/register/WN_BWv1P7VtE-1C66fb_2_9w</a>
